**It is summer.
It is raining.**

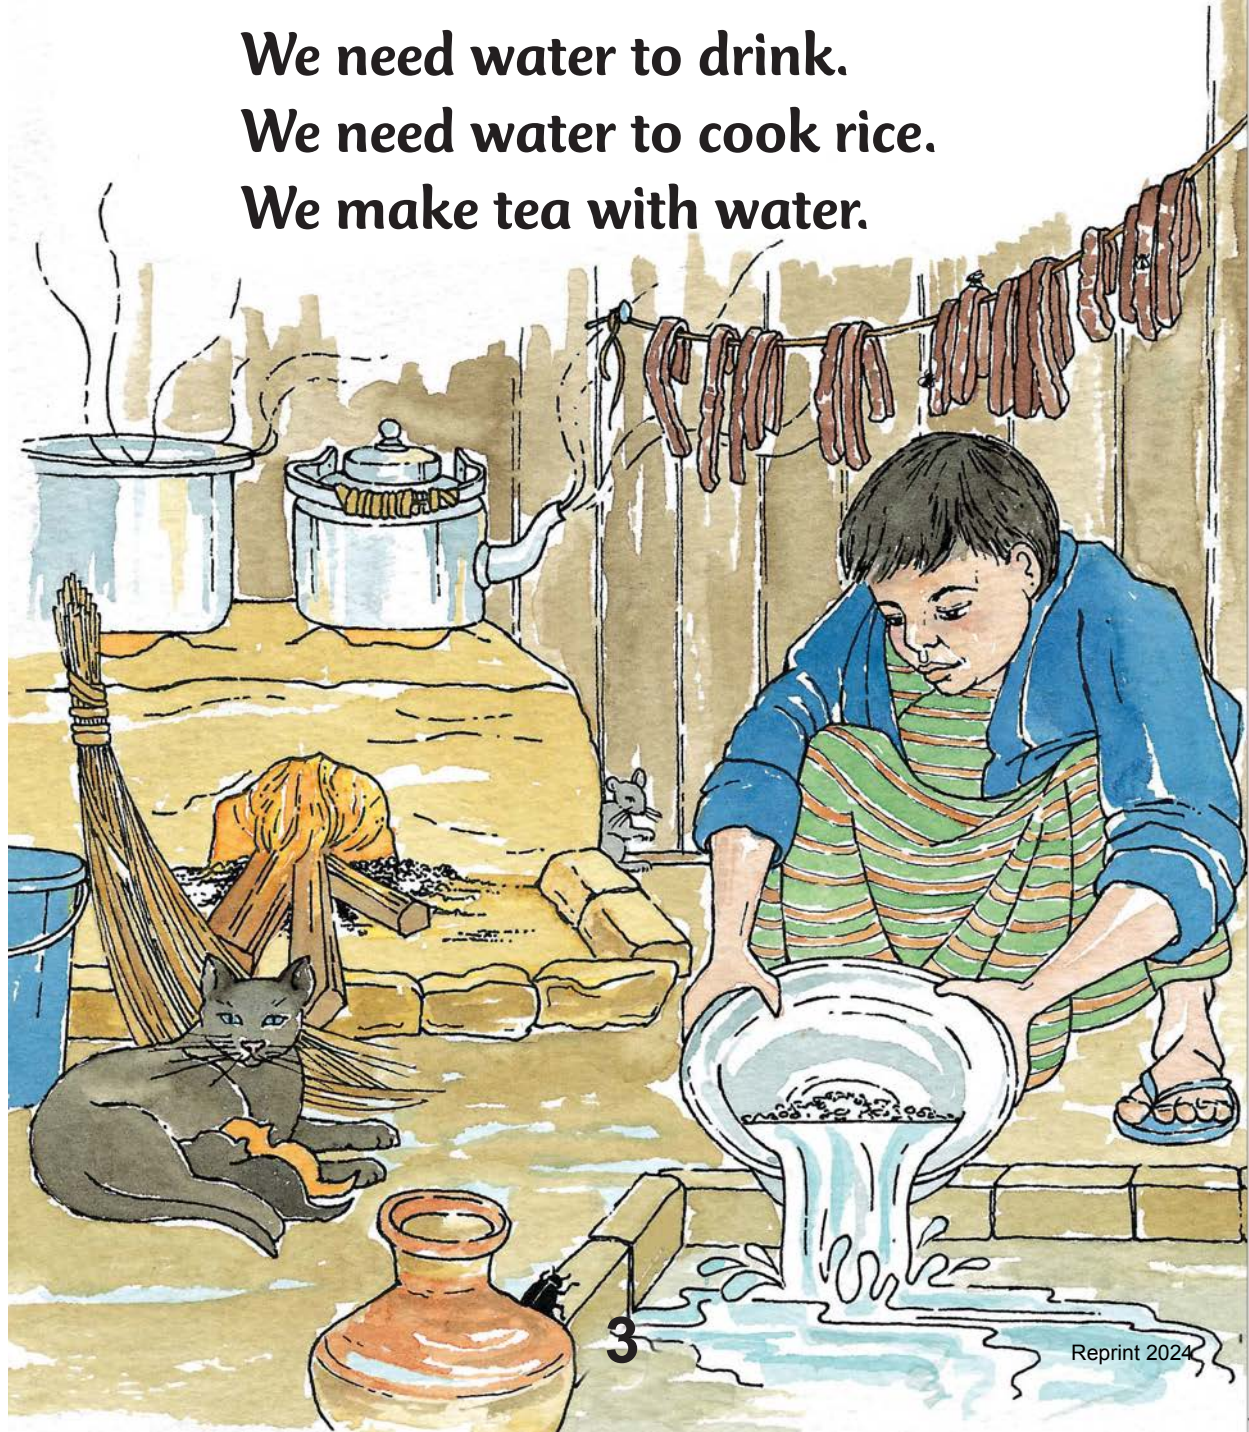

**It rains a lot.
I don't like summer.
I don't like rain.**

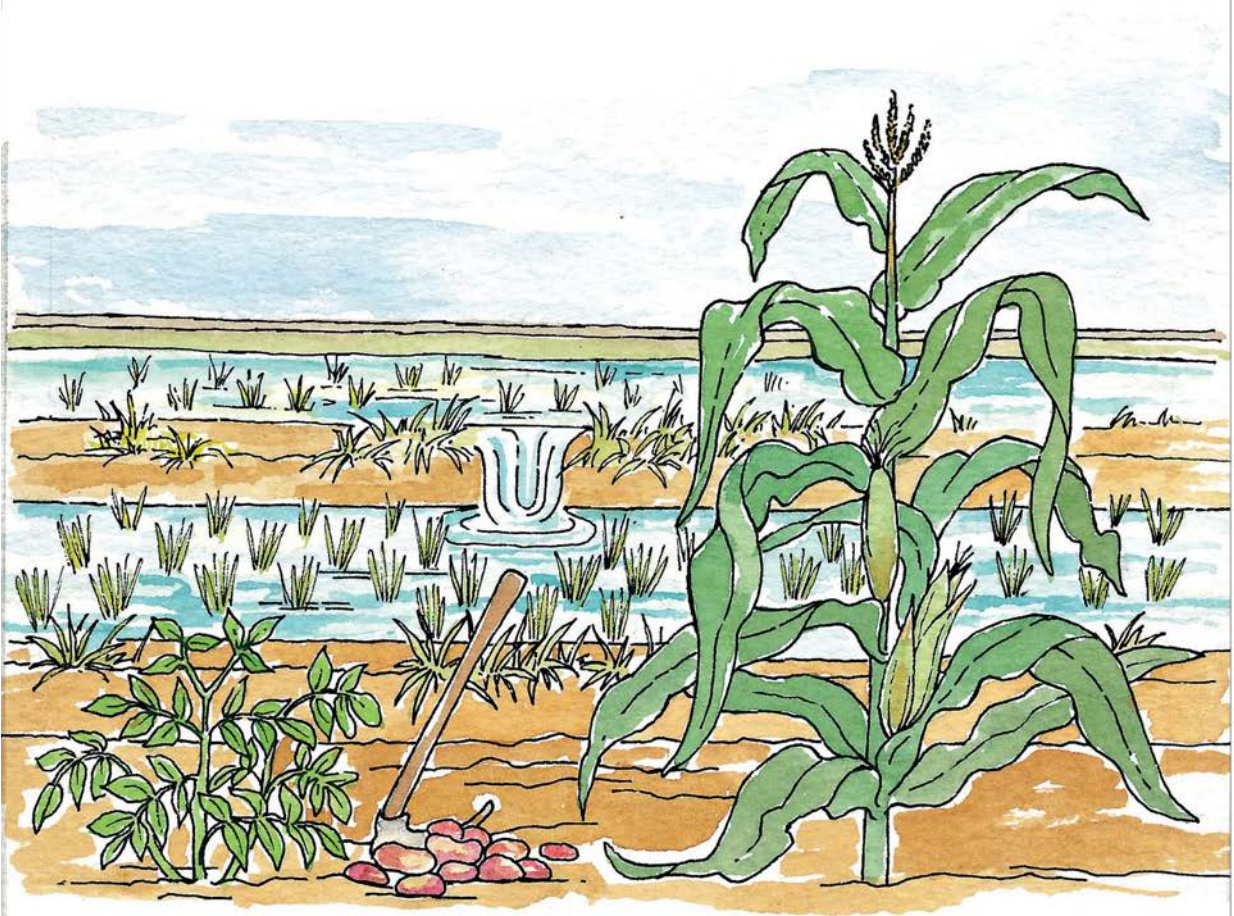

In a desert there is no rain.

**There is no water.
Nothing lives here.
There are no animals, no
men and no women.
There is nothing to eat.**

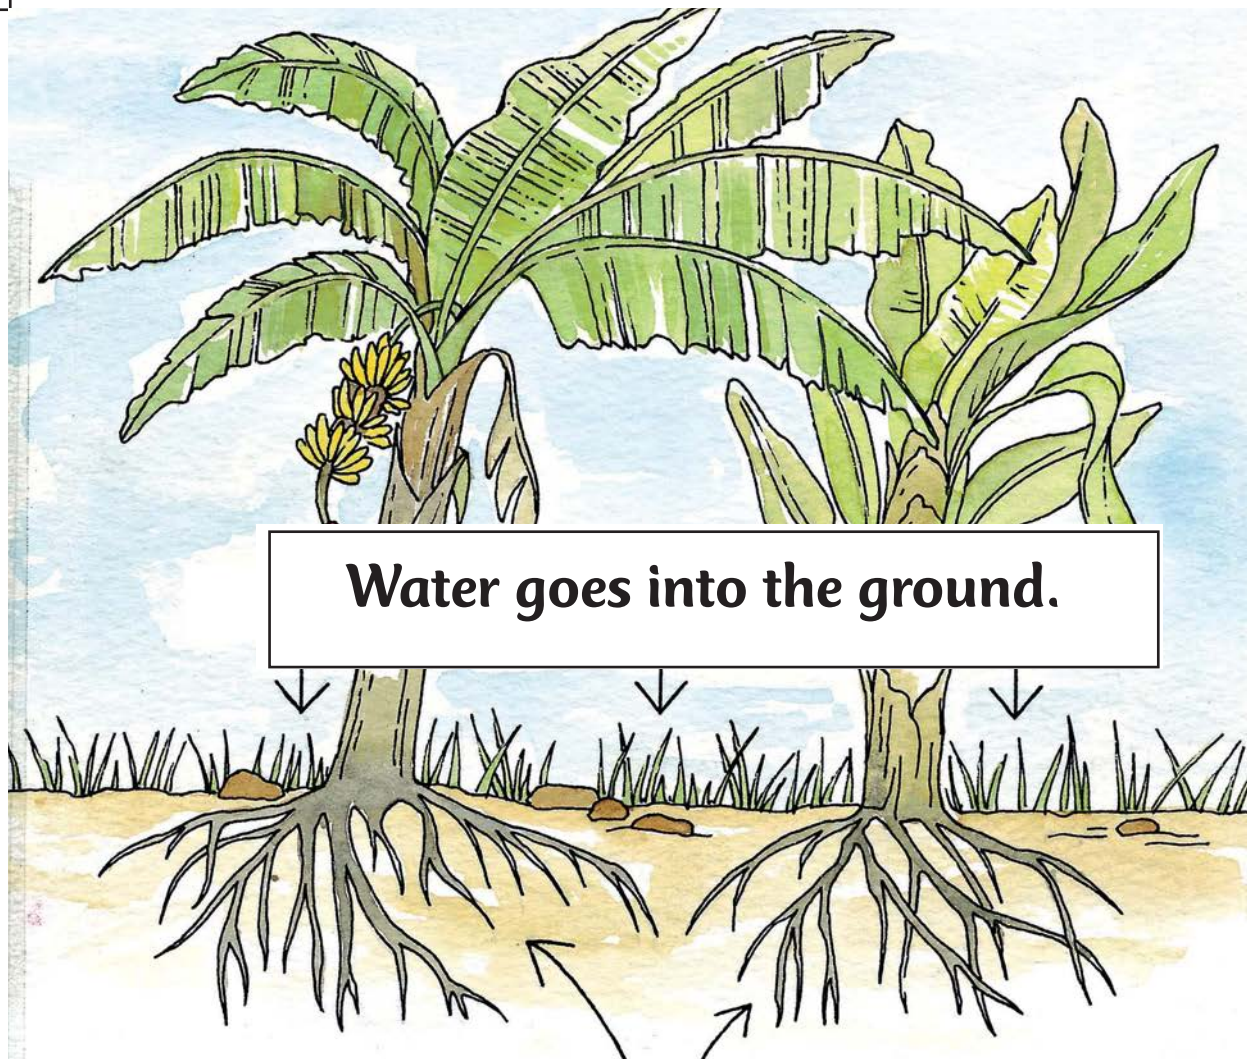

**We all need water.
We need water to drink.
We need water to cook rice.
We make tea with water.**

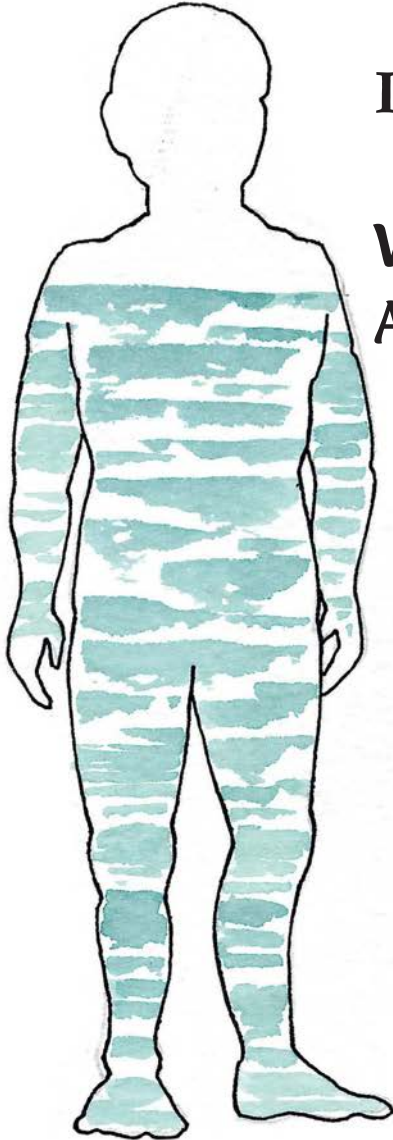

**Plants need water.
Water makes our rice grow.**

**It makes our maize grow.
It makes our potatoes grow.**

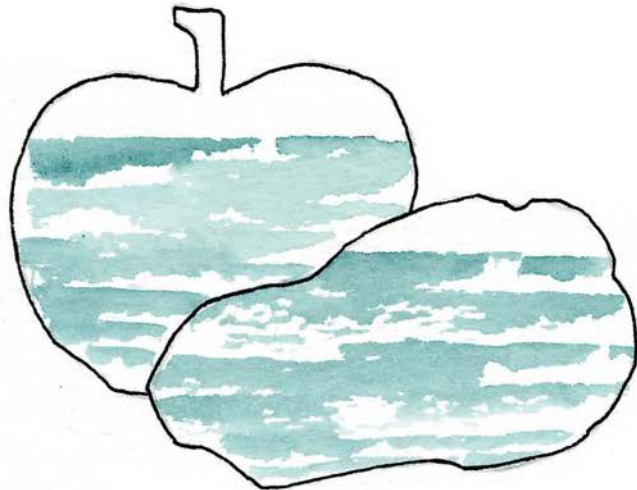

**It goes down to the roots of the plants. They take water into their leaves and flowers.
It makes them grow big.**

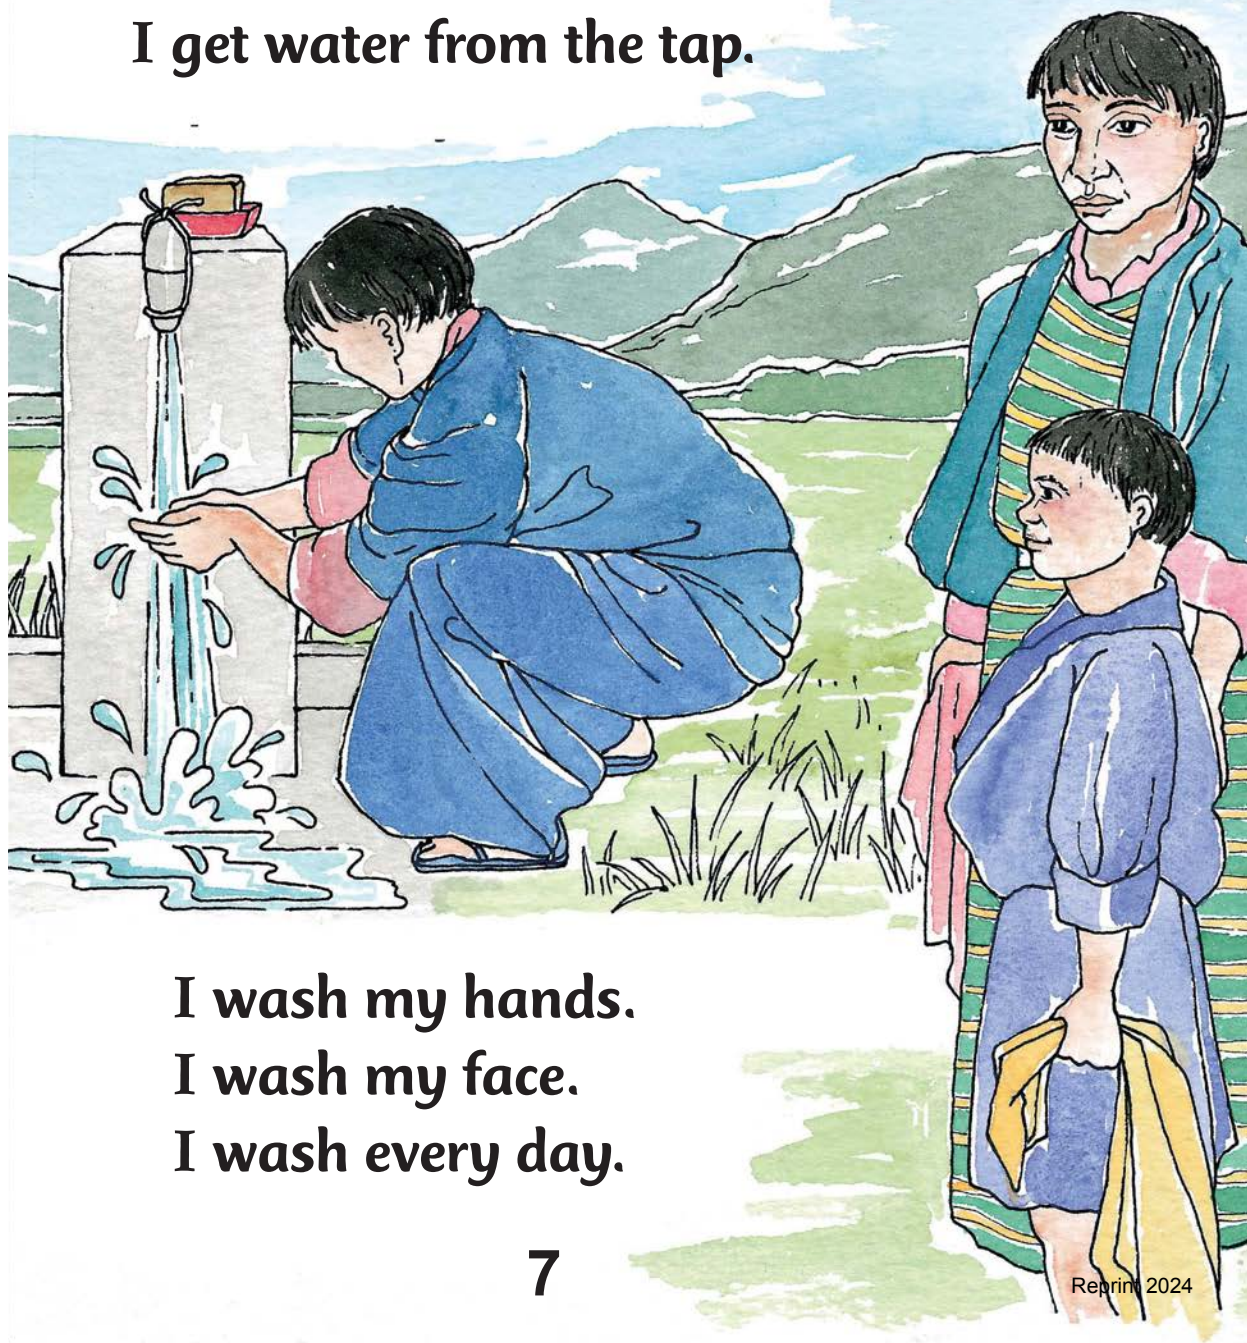

I drink water.

**Water goes into my body.
A lot of me is water.**

**A lot of an apple is water.
A lot of a potato is water.**

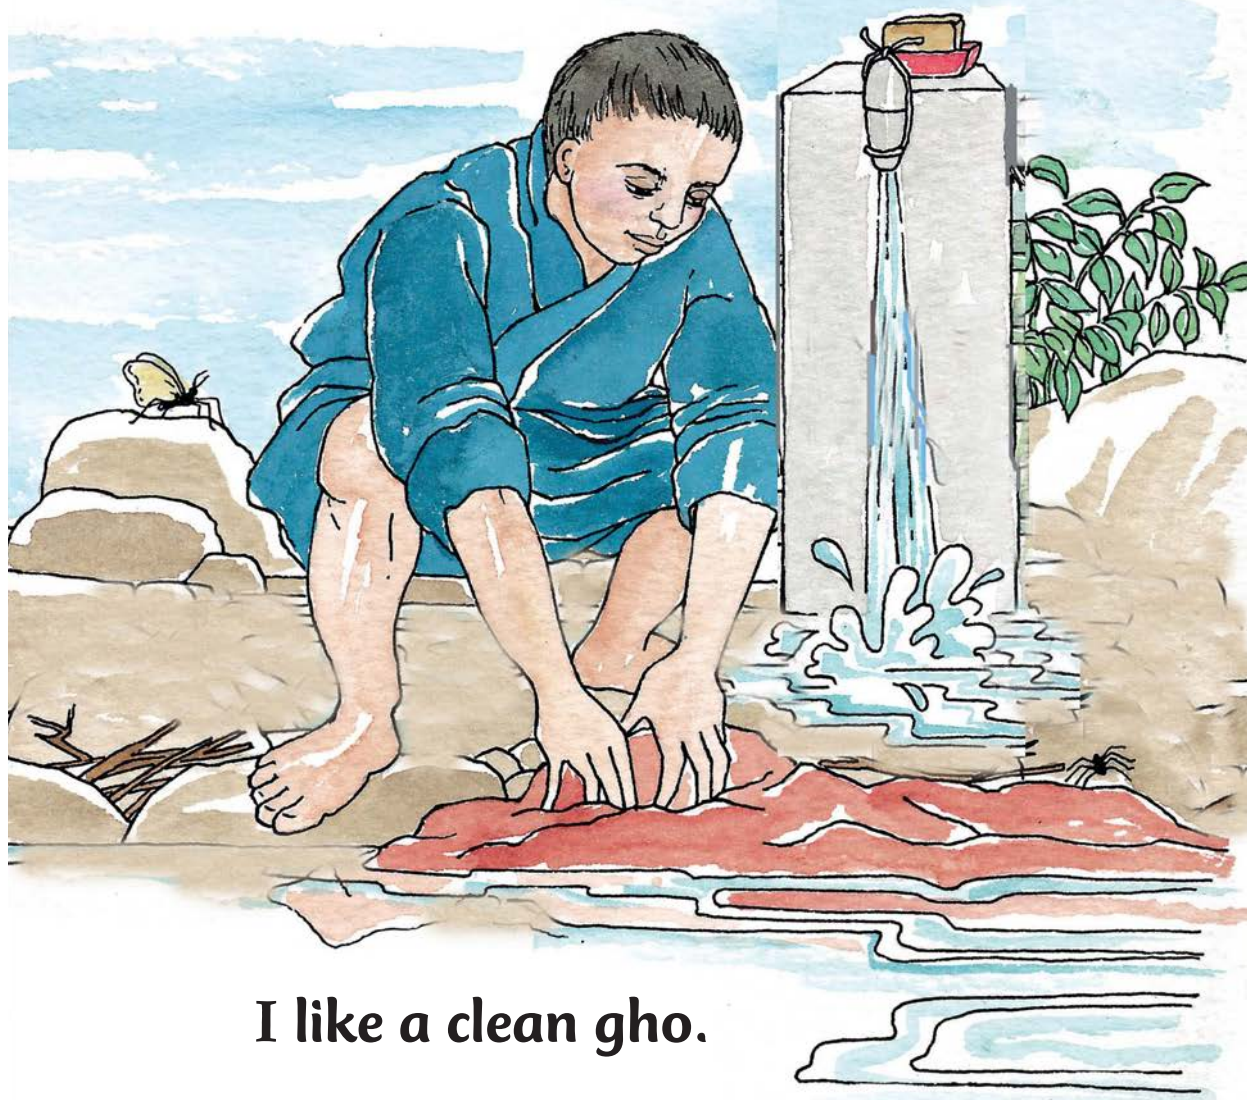

**I need water to wash daily.
I like to wash.
I get water from the tap.**

**I wash my hands.
I wash my face.
I wash every day.**

**Every Sunday, I wash my gho
in water.**

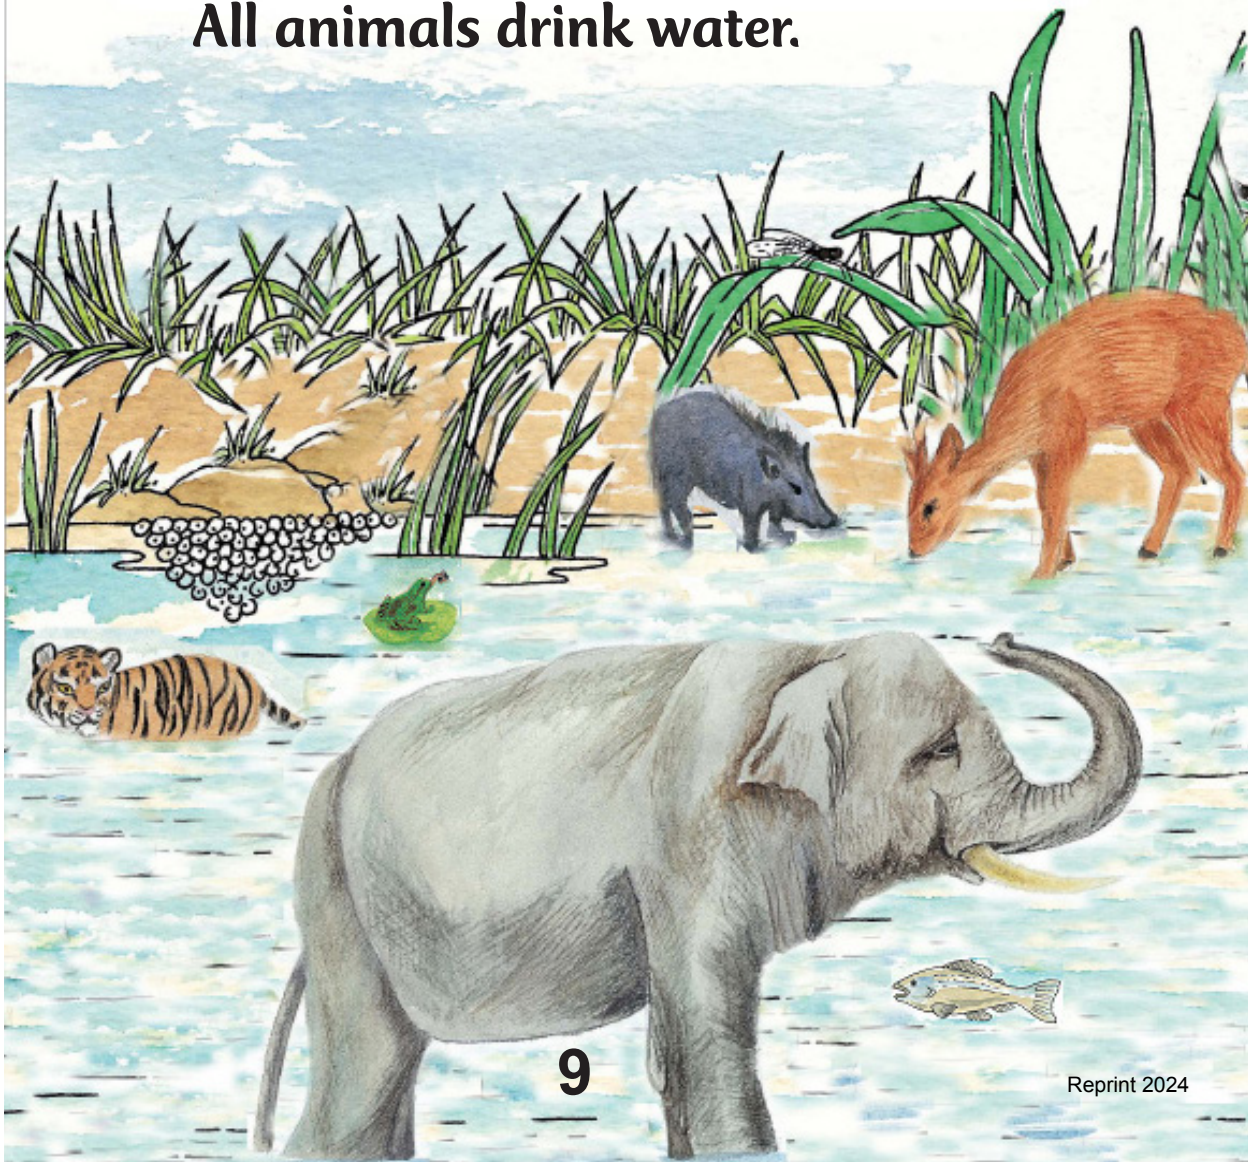

I like to wash my gho.

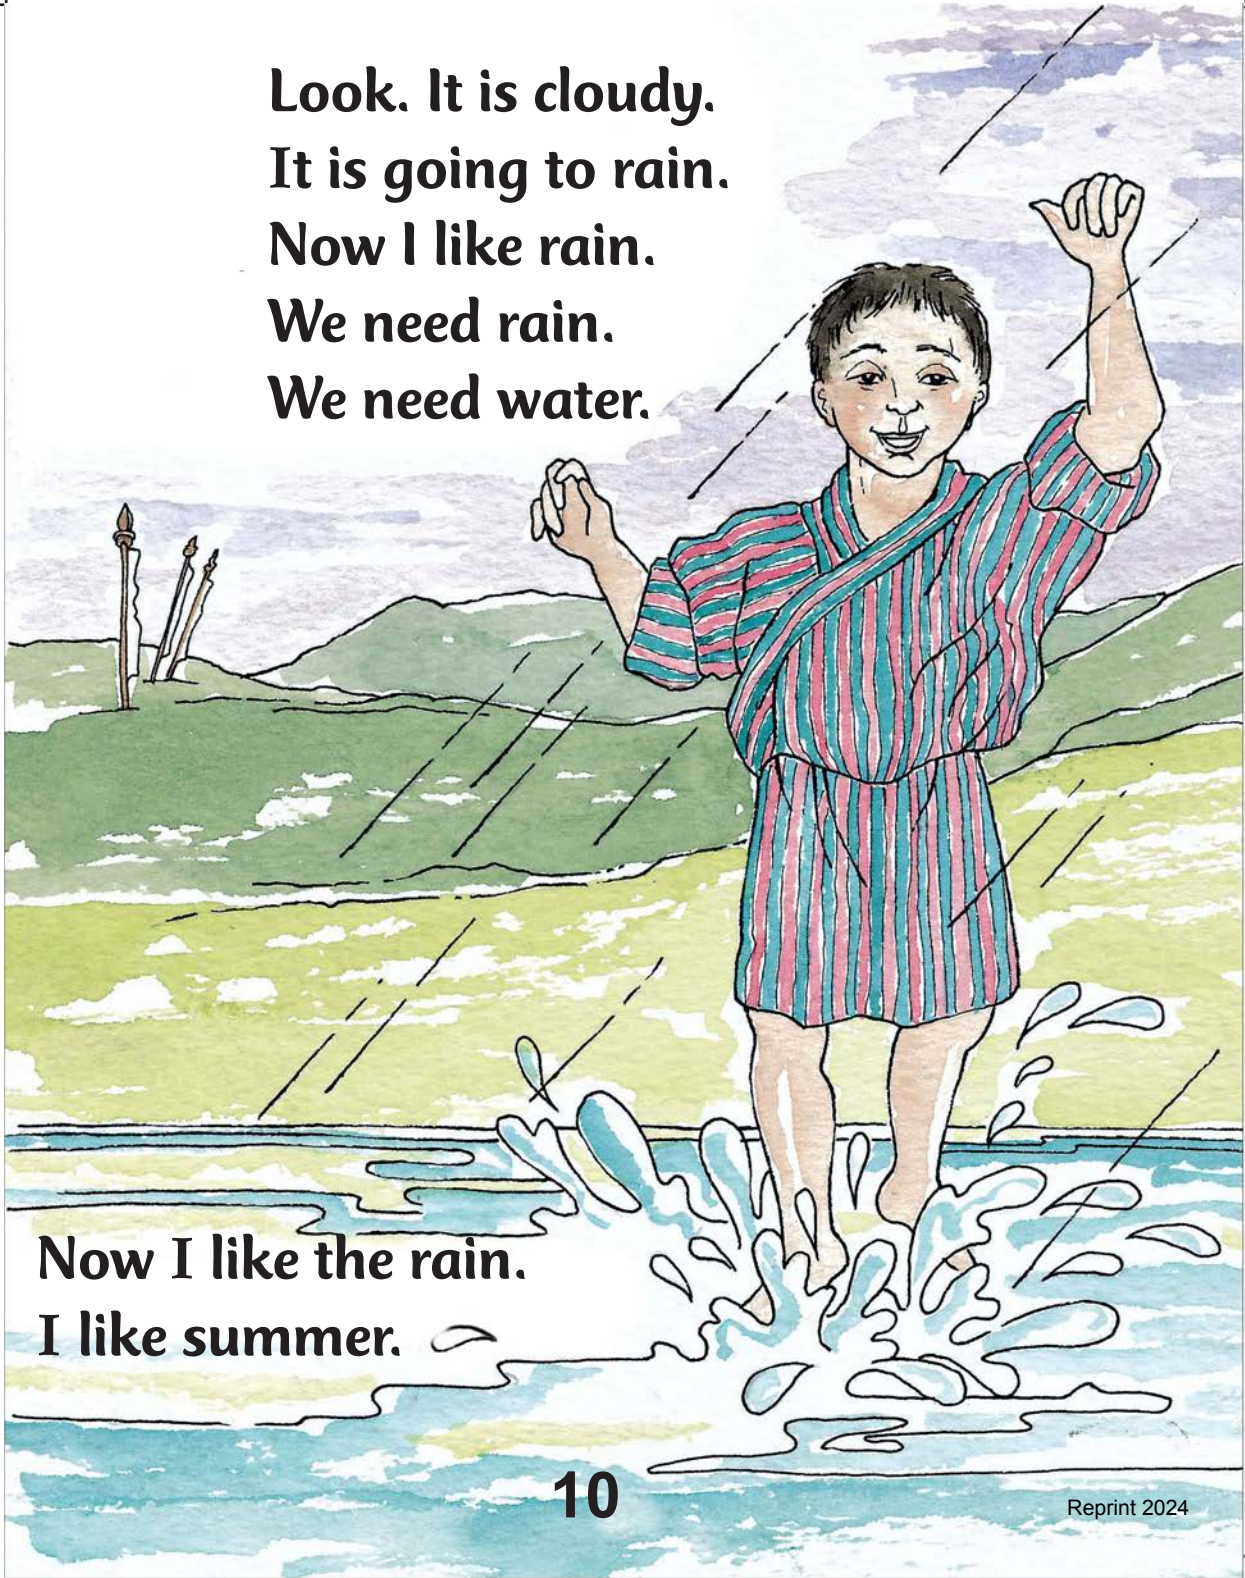

I like a clean gho.

**Animals need water.
Fish live in water.
Frogs live in water and on land.
Frogs lay their eggs in water.**

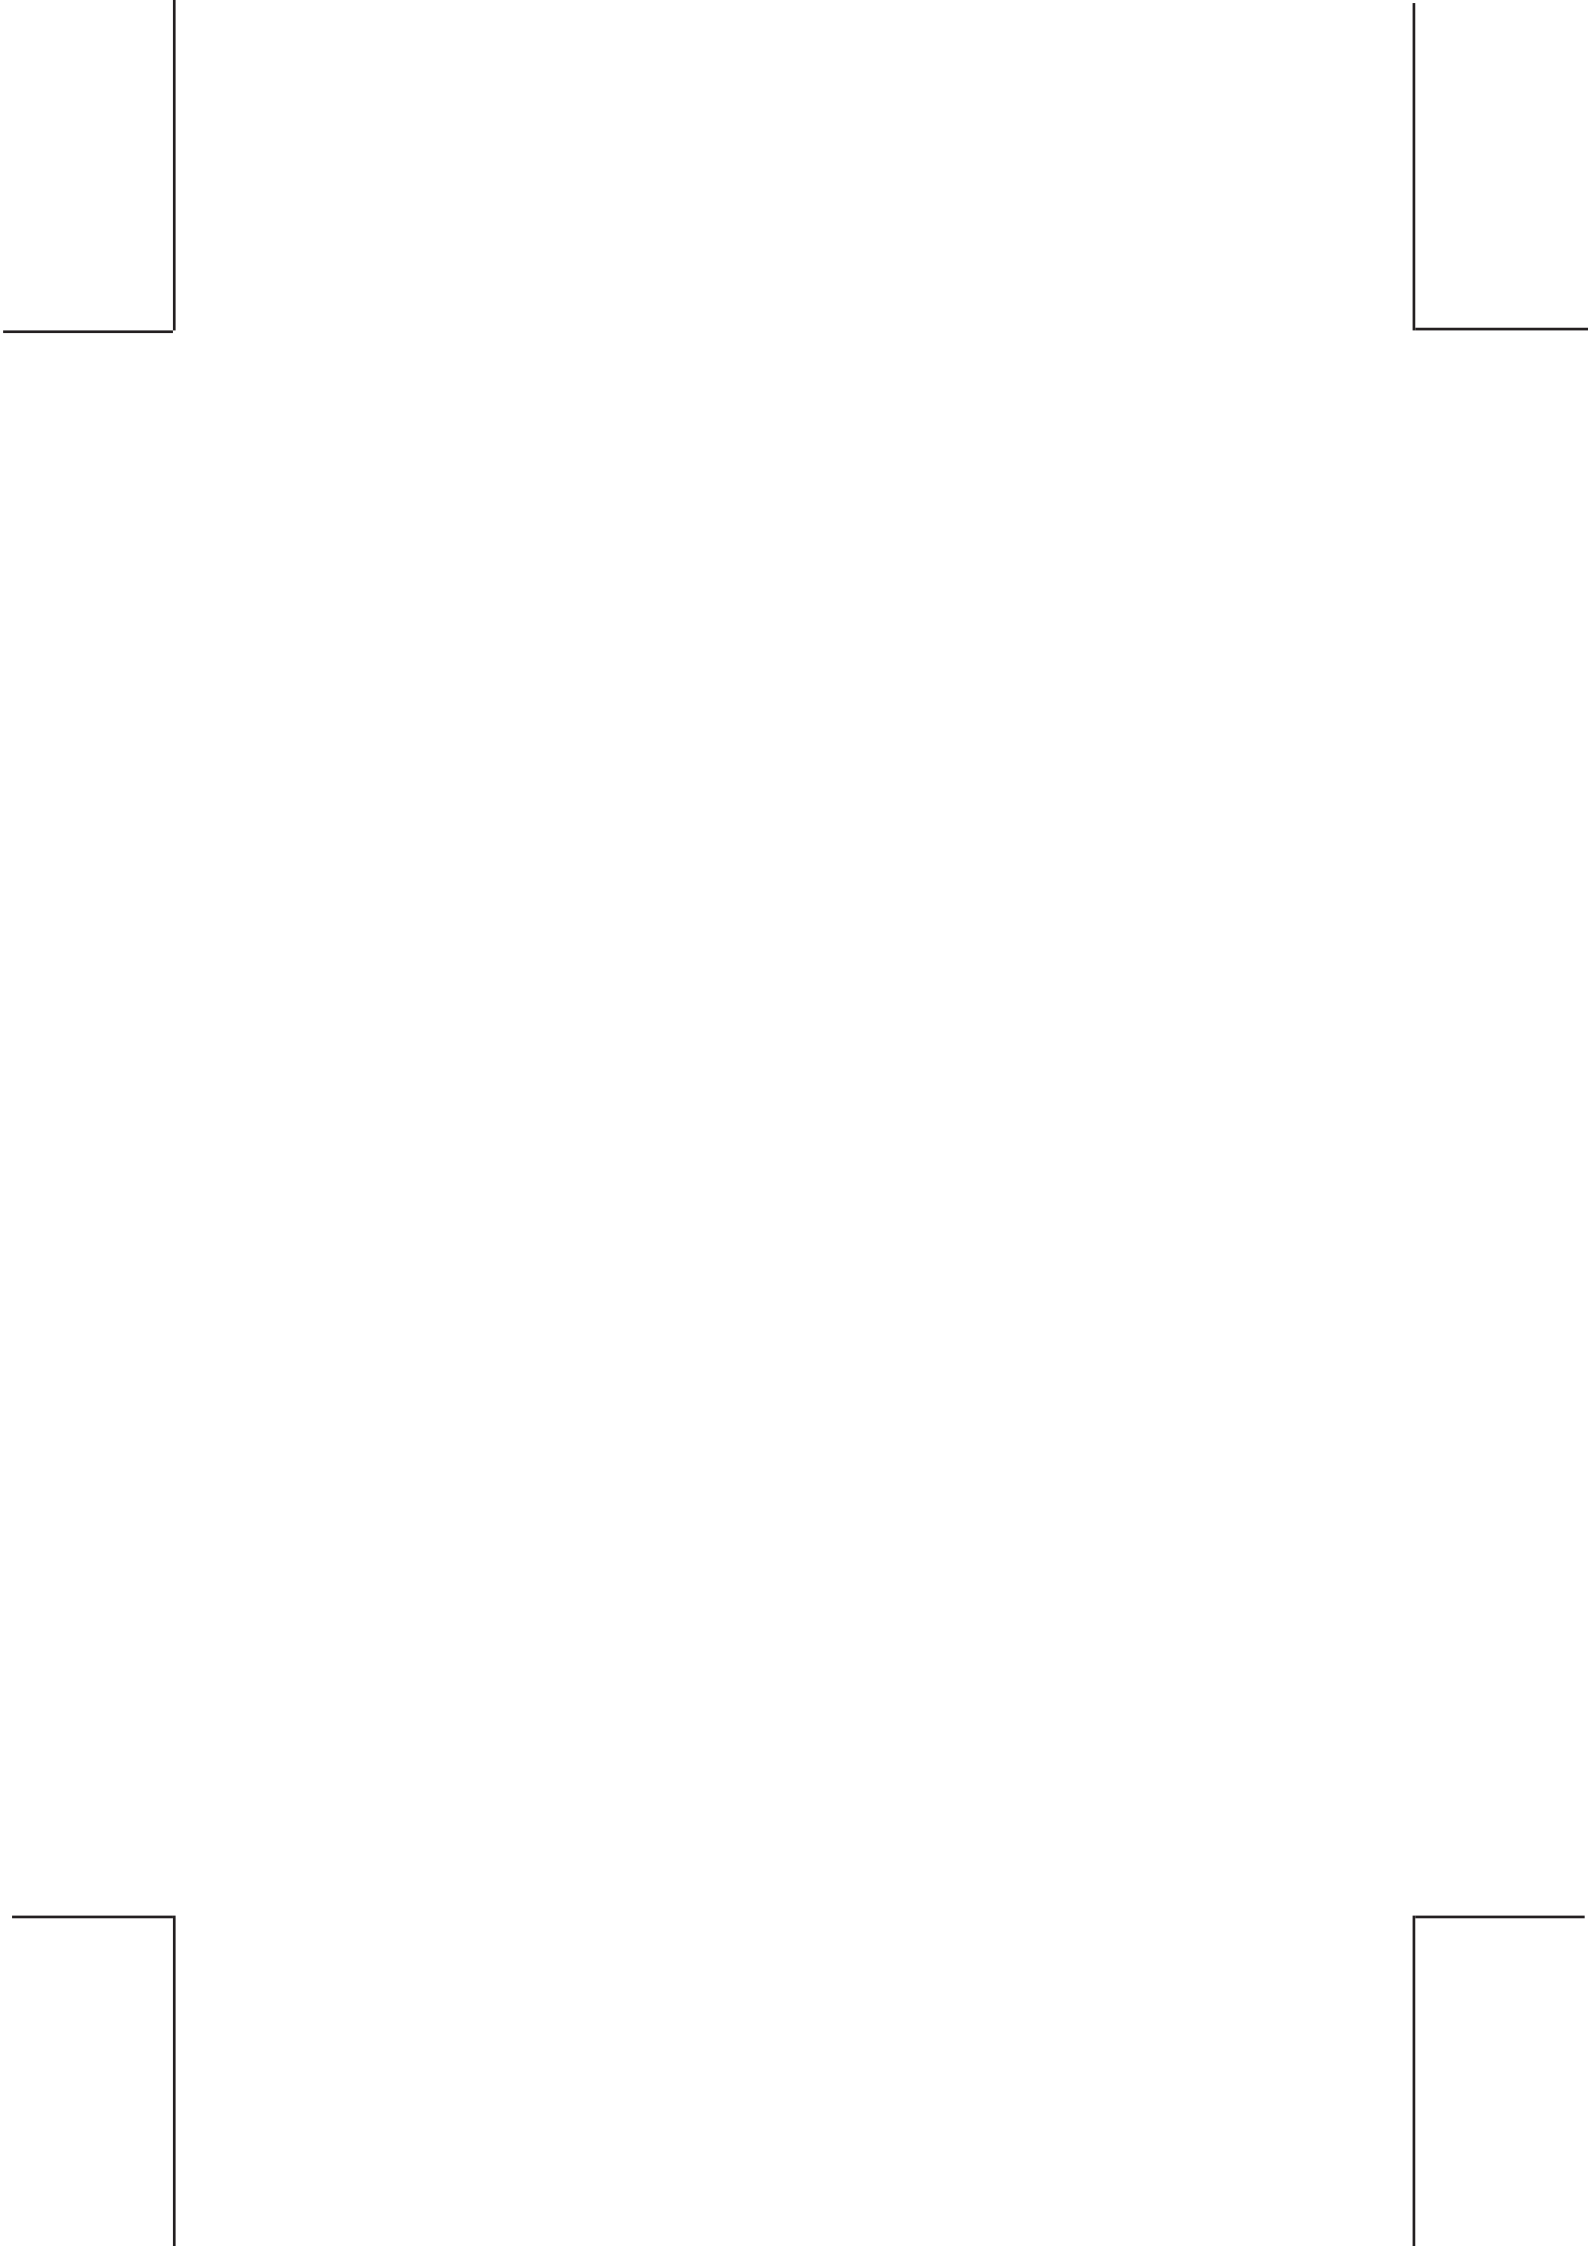

All animals drink water.

**Look. It is cloudy.
It is going to rain.
Now I like rain.
We need rain.
We need water.**

**Now I like the rain.
I like summer.**
