Dasho Dzongdag/Dasho Thrompon
Dzongkhag Administration/Thromde Administration

Subject: Submission of Proposal Paper for National STEM Olympiad 2020

Dasho,

Royal Education Council (REC) in collaboration with Ministry of Education is organising fourth National STEM Olympiad 2020 tentatively from April 28 to April 30, 2020 at Bajothang Higher Secondary School, Wangduephodrang. The first National STEM Olympiad 2017 was graced by His Majesty the King and commanded to make the event as an annual feature. Therefore, REC would like to extend invitation to all the Middle Secondary Schools/Central Schools/Higher Secondary Schools under your Dzongkhag/Thromde to submit at least one proposal paper for exhibition on the theme **‘Science and Technology for Sustainable Waste Management’**. In addition, we would also like to extend invitation to teachers and students of primary to higher secondary schools to submit symposium paper on the same theme. In this regard, we would like to request Dasho to kindly inform all the schools under your Dzongkhag/Thromde accordingly.

Please find attached herewith the guidelines for National STEM Olympiad 2020.

We look forward to your continued support and cooperation.

Sincerely,

(Kinga Dakpa)
DIRECTOR
